PARENT/GUARDIAN:

We acknowledge that the School District and its employees and agents incur no liability, except for willful and wanton conduct, as a result of any injury arising from the self-administration of medication or use of an epinephrine auto-injector by our student. We further agree to indemnify and hold harmless the School District and its employees and agents against any claims, except a claim based on willful and wanton conduct on the part of School District employees and agents, arising out of the self-administration of medication or use of an epinephrine auto-injector by our student. We understand that it is our obligation to replace medication that has expired and to renew this authorization each school year. We also understand and agree that we will pick-up any unused medication at the end of the school term, and that any unused medication remaining at the school fourteen (14) days after the last day of the school term will be discarded by the school.

I give permission to Batavia School District #101 to administer/supervise the medication described in accordance with the School District's Regulations Governing the Administration of Medications in the schools. I understand that the nurse may contact the prescriber for clarification of this order.

Medication Guidelines:

- 1. Medication needed by the student during the school day must be necessary to treat or sustain a student during the school day.**
- 2. All medication will be administered under the supervision of a licensed nurse or school administrator.**
- 3. All medication must be brought to the school by a parent, guardian or responsible adult.**
- 4. All prescription medication will be counted and verified with the parent upon delivery to the school.**
- 5. Medication must be in the original container and the prescribed medication label must reflect the order received by the prescriber.**
- 6. Medication Authorization Forms are to be renewed at the beginning of each school year.**
- 7. ALL medication, except self-carry inhaler and epinephrine, will be kept in the school health office. Students are not to have prescription, non-prescription, homeopathic/herbal remedies, or vitamins on their person at school.**
- 8. It is recommended that a second Inhaler/Epinephrine auto-injector be kept in the school health office in case the medication is forgotten or misplaced. An "Order for Administration of Medication" form will be needed for asthma inhalers kept in the health office.**
